The Beer with the flavor of Hops

The pure hop-flavor—the true taste of rich, fragrant hops—is a distinguishing feature in

Saint Louis A.B.C. BOHEMIAN

"King of all Bottled Beers."

It is the beer of absolute purity. See it sparkling in bottle or glass. Note its bright golden color and fine effervescence—matchless in flavor, color and tonic qualities.

It is especially the family beer—a perfect article for table use. Accept no substitute for St. Louis A. B. C. Bohemian Beer.

THE GAINSBOROUGH HAT.

Style Has Found Favor Since Recovery of Famous Painting.

There is little reason to doubt that the reported finding in Chicago of the long-lost portrait of the duchess of Devonshire has given impetus to the restoration to fashion of the style of hat seen in the picture. At once at the news of the recovery of the celebrated picture some of our best milliners were placed upon their mettle in the reproduction of the elegant hat so gracefully posed on the handsome head of the famous duchess. But since then there has come counter advice to the effect that the picture exhumed from the double bottomed trunk in Chicago is not the veritable stolen Gainsborough. A strange concoction of misadventures, surely! Or so it seems to be. We could but hope for the genuineness of the picture, and greatly in the interest of our wide-awake and enterprising milliners. At any rate, the Gainsborough hat, under the circumstances of its reintroduction, was bound to attract attention. Remembering that it is a large, picturesque hat, with what daisy and certainly not so bright as was expected. To remedy this use a pair of three tablespoons of household ammonia, a soft flannel and two fresh cloths for rubbing the carpet dry after it has been washed with the first flannel and water. This treatment will when the carpet is quite dry, be found to give a most effective renovation, but it must be remembered that certain greens will not bear ammonia. In such cases clear warm water will freshen and help the carpet very much.

A GOOD THING.

German Syrup is the special prescription of Dr. A. Boesche, a celebrated German physician, and is acknowledged to be one of the most fortunate discoveries in medicine. It quickly cures Coughs, Colds and all Lung troubles.

Poisoned by Absorption

POISON OAK, POISON IVY, BARBER'S ITCH, LEAD AND BRASS POISONING, ETC.

Through the pores of the skin many poisons are absorbed into the blood, deranging the circulation and affecting the constitution as quickly and seriously as those generated within the system. Just under the skin are innumerable hair-like blood vessels, and connecting these with the skin are millions of small tubes or glands, through which the poison is conveyed to the blood system. During the spring and summer, while the skin is most active and the pores well open, we are much more liable to be affected by Poison Oak and Ivy and other dangerous plants. Workers in brass, copper, lead and zinc have their health impaired and the blood supply poisoned through the absorption of fine particles of these metals and the acids used in polishing and cleaning them. So completely does it destroy the effects of the Oak and Ivy that there is no possibility of its reappearance, and it is equally as efficacious in brass or lead poisoning or Barber's Itch; building up and purifying the blood and driving out of the circulation impurities of every kind, and removing every blemish, sore or eruption from the skin. There is no substitute for S. S. S.; it is the only purely vegetable blood purifier known, and the safest and best in all constitutional or blood diseases.

Our Medical Consultation Department.—If you desire any special information or advice about your case, write our physicians, explaining your condition, and they will carefully consider what you have to say and you will receive a prompt reply. Our physicians have made a study of blood and skin diseases, and you can have the benefit of their experience and skill without any cost to you whatever. Don't hesitate to write fully about yourself, as nothing you say goes beyond our office. We have a very interesting book on Blood and Skin Diseases, which we will be glad to mail free.

THE APPEAL TO THE RECORD.

Little Tommy returned, sore and trembling, from the torture room. "Doesn't your papa ever thrash you?" he asked him, who is the son of a cabinet minister.

"I should say not!" replied the other loftily. "Every time he threatens to thrash me I read him an extract from his great peace-at-any-price speech in which he said: 'These barbarians are like wayward children; but have we, on that account, the right to take away their heavenly privilege to do as they please? Let us treat them as we would our own wayward children; plead with them, beseech them, but never coerce them with either gun or rod.'"

"That's a good deal to remember," remarked Tommy.

"Yes; but now he's got so used to it that he drops the cane as soon as I start."—London Answers.

You may as well expect to run a steam engine without water as to find an active, energetic man with a torpid liver, and you may know that his liver is torpid when he does not relish his food or feels dull and languid after eating, often has headache and sometimes dizziness. A few doses of Chamberlain's Stomach and Liver Tablets will restore his liver to its normal functions, renew his vitality, improve his digestion and make him feel like a new man. Price 25 cents. Samples free at Elvey & Hulet's drug store.

POOR OLD BOBBY!

He came home some nights ago a bit tired from a busy day's work, and his wife waited until he had got off his overcoat and sat down.

"Did you get that piece of silk I asked you to bring?" she inquired, seeing that he had not said it before her.

"Yes, dear; I left it out there in the hall."

"Did you get the pins?"

"Yes, dear."

"And the ribbon?"

"Yes."

"And Bobbie's shoes?"

"Yes."

"And a hearth broom?"

"Yes."

"And a wick for the kitchen lamp?"

"Yes."

"And some matches?"

"Yes; they are with the other bundles."

"And did you see the man about the coal?"

"Yes; it will be up on Monday."

"And the man to fix the grate in the dining room?"

"Yes; he's coming as soon as he can."

"And did you go and pay the gas bill?"

"Yes, dear."

"And—and—oh, yes, did you order a new shovel for the kitchen?"

"N—n—no," he hesitated; "I forgot it."

"Good gracious!" she exclaimed. "What did you do that for? You know

we needed that shovel, and I told you about it the very first thing when you went to town this morning. I do think you men are the most forgetful and most careless creatures that ever lived."

And she was cross for the rest of the evening.—Tit-Bits.

Call at Elvey & Hulet's and get a free sample of Chamberlain's Stomach and Liver Tablets. They are an elegant physic. They also improve the appetite, strengthen the digestion and regulate the liver and bowels. They are easy to take and pleasant in effect.

My little son had an attack of whooping cough and was threatened with pneumonia; but for Chamberlain's Cough Remedy we would have had a serious time of it. It also saved him from several severe attacks of croup.—H. J. Strickland, editor World-Herald, Fair Haven, Wash. For sale by Elvey & Hulet.
